

# FlyPast

Jan 21 issue includes a FREE AVIATION PUZZLE BOOK. You can test your knowledge on wordsearches, crosswords, cryptograms, word wheels and much more!

**FlyPast** is Britain's top-selling aviation monthly and is internationally regarded for its comprehensive coverage of aviation history and heritage.

This issue also celebrates 80 years since the first flight of the Avro Lancaster and restoration of Just Jane at East Kirkby, Lincolnshire. We also study Boeing's ground-breaking, yet troublesome, B-47 and feature the Ice Aces, a revealing article on aircraft employed in the Antarctic over the years and Restoration Scene reports on Old Warden-based Kennet Aviation's Seafire restorations.
