In celebration of its 10-year anniversary, **SAY WHO** is proud to introduce its first limited-edition book retracing its history in pictures: **PORTRAITS OF A DECADE**.

PORTRAITS OF A DECADE, a nearly 500-hundred-page book, is a celebration of the beautiful faces we discovered and followed over the past decade. As well as a reflection on the evolution of the Parisian and global cultural scene through the people that best embody it, be it in the fields of fashion, art, film or luxury. 'PORTRAITS OF A DECADE' draws the joyful and aesthetic contours of our daily work by your side.

This Anniversary special is a beautiful coffee table magazine and is on a first come first served status. There are limited copies available so if you want copies, please place your order ASAP.

Merci de votre soutien pour le **magazine** & bonnes ventes!
